Foudation stone laid for Jindal Aarogyam Hospital

STATESMAN NEWS SERVICE
ANGUL, 27 JANUARY:

JSP Foundation, the social arm of Jindal Steel & Power (JSP), laid the foundation stone for a 100 bedded multispecialty hospital at Jindal Nagar, Angul.

Chairman of JSP Naveen Jindal and Chairperson of JSP Foundation Shallu Jindal performed the Bhoomi Pujan on Thursday in the presence of MLA Susanta Kumar Behera and Angul Municipality Chairman AK Samant .

Naveen Jindal said, "Building ultra-modern hospitals and Quality Schools for the Community is embedded in JSP's mission of improving the Human Development Index.

With the establishment of Jindal Aarogyam Hospital with several specialties, this dream of ours will soon be a big reality".

Ms Shallu Jindal said, "Jindal Aarogyam Hospital will be fully equipped to provide advanced medical services in various specialities like Medicine , Surgery, Paediatrics, Gynaecology, Nephrology , Gastroenterology, Orthopaedics , Dental and other specialties so that people of Angul need not go to other cities for Medical Treatment . Medical treatment in this hospital will be provided at a very affordable cost."

"JSP Foundation is looking forward to cover the families in Plant periphery villages under group health insurance programme in subsequent years," added Ms Jindal

Jindal Aarogyam Hospital, in addition to the modern allopathic health care system, will also provide integrated treatment in Naturopathy and Ayurveda, Homeopathy, Yoga etc.

The hospital is expected to be operational in next 18 months.

MLA Behera and chairman Akshaya Samant lauded the company for its CSR activities.

JSP's CEO DK Saraogi, Executive Director Hridayeshwar Jha, Damodar Mittal, Representative of MP Sambalpur Agasti Behera, Angul Bar Association President Dilip Das were present.
