

QUALITY POLICY

Jindal Steel and Power (JSP) is committed to ensure customers' satisfaction and reach the leading position by adopting the value based thinking methodology in each product segment.

- Customer need, stated or unstated, is the primary driver of our quality and innovation efforts at JSP.
- We are committed to improve, continually, our systems and processes to meet and exceed customer expectations now and in the future.
- We can only achieve our customer centric goals by continually upgrading the knowledge, skills and sensitivity of our employees to excel at delivering the products and services to our customers.
- As the customer needs evolve, technology changes and business environment demands, we are committed to periodically review and communicate our Quality Policy to all key stakeholders.
