Certificate of Appreciation

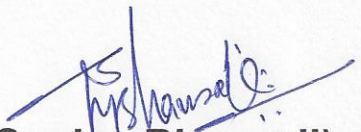

Jindal Steel & Power Ltd – Machinery Division, Raipur were awarded work order no. **4513515635** dated **21.10.2015** for **Rectification and Modification of Rope Drum for 220 MT Crane**

The scope of the work was as follows:-

- Access the dismantling and fitting procedure of the pedestal shaft from Rope Drum
- Preparation of drawings for the new shaft
- Dismantling the broken shaft from Rope Drum
- Machining of the rope drum flange, ribs and inner stiffener
- Proof Machining of the new shaft
- Welding of new shaft with ribs and inner stiffeners
- Fitting of cover of rope drum flange
- Final machining of the new shaft
- Damaged Fasteners of Barrel Coupling removed and new tapped holes made
- Inspection of Rope drum and surface treatment before dispatch to JSPL Raigarh

We would like to put on record our appreciation for the job well done by JSPL-Machinery Division. The promptness with which they carried out this rectification and modification works needs to be applauded.

We wish JSPL-Machinery Division all the best for their future endeavours and look forward to working with them again in the future
